Python Engineer Roadmap

README to PDF passing

Python can be used in a lot of computer science fields. In this repository, we have collected resources for each field of computer science that are related to Python.
Not sure which source to choose? You can follow the resources marked with a ✓ symbol, they are highly recommended by the community.

Contribution

Before you head over, read the Contribution Guide first. You are new to contribution process? For more information about the steps and guides, check out the First Contribution Guide. (Also available in Persian)
